Digital Innovation Centre

**FREE
TWO-DAY
COURSE**

COULD YOUR IDEA BE THE NEXT BIG THING?

22–23 October, 10am–4.30pm

C11 Cyber Security and Digital Innovation Centre

Do you have an idea for the next Facebook, Spotify or Netflix, but don't know where to start? Join us at C11 and learn how to make your tech business a reality.

On this fully funded two-day course from Start and Grow Enterprise, you will

Learn from tech industry consultants and entrepreneurs

Find out more about market testing, finance, sales and marketing

Meet like-minded business people and make new contacts

Leave with the foundations to turn your idea into a success

BOOK YOUR PLACE TODAY

Spaces are limited, so book your place on this free course by calling **01242 715477** or emailing **startandgrow@glos.ac.uk**

Transport to C11 will be provided from University of Gloucestershire Park and Oxstalls campuses if required.

Start and Grow Enterprise is a University of Gloucestershire project, part-funded by the European Regional Development Fund (ERDF). Start and Grow Enterprise supports the growth of Gloucestershire-based entrepreneurs and start-ups (trading up to 3 years) through free training, events, networks and resources.
